

# TAKE BACK GOTHAM CITY

## ★ HARVEY DENT FOR GOTHAM DA ★

I, the undersigned, have had enough with runaway crime and corruption in Gotham City. I call on Harvey Dent to run for Gotham District Attorney to target the violent mob gangs that are destroying our once-proud city. I believe that Harvey Dent is the one man with the guts, the courage, and the tenacity to take on organized crime in this city. I believe that Harvey Dent has proven the kind of man he is by investigating and prosecuting corrupt cops.

I believe in Harvey Dent.
